

Autism and Scouting Helps Families Connect & Stay Plugged In!

Autism Empowerment is a 501(c)(3) public charity seeking to create a vibrant, supportive and collaborative Autism & Asperger's community that connects individuals and families impacted by ASDs with free or low-cost events, programs and support services. Our four foundational pillars of **Accept, Enrich, Inspire and Empower** are built into every program, training, support service and event we offer.

Here are a few resources to get connected with our Autism and Scouting Program

Visit: www.AutismandScouting.org or www.AutismEmpowerment.org/autism-scouting-program
