

Autism Empowerment & Autism and Scouting - We Need Your Support!

It takes a global village to change attitudes, spread awareness and promote acceptance, not just with autism but with acceptance of all abilities. **Autism Empowerment needs your help** to share our trainings, resources, support services and message of positive autism acceptance to people around the world. We need your help promoting **Acceptance**, **Enrichment**, **Inspiration** and **Empowerment** in the autism and Asperger's scouting community and in your local community.

Autism Empowerment is a grassroots 501(c)(3) nonprofit organization that operates with the support of generous scouters like you. Without the faith, commitment and dedication to excellence of leaders, volunteers and scouters worldwide, we wouldn't be able to develop and share the great work you are seeing within the Autism and Scouting Program and within Autism Empowerment.

Just a few of the great ways that the Autism and Scouting Program has made a positive impact:

- Tens of thousands of youth and adults positively accepted, impacted and empowered worldwide.
- Autism and Scouting Leadership Training Kit
- Autism and Scouting Radio & Autism Empowerment Radio (over 100,000 + listens and over 100 free shows and podcasts available for free download on demand.)
- Autism and Scouting Website Portal (over 60 pages of content) & Social Media
- Autism and Scouting World Unit Locator (100s of units around the world and growing)

We have just scratched the surface on what we can do together to move this program forward. If you, your scouts, your leaders and your unit gained value from this kit, please consider a gift of support, time or money to our organization and help each child, teen and adult on the autism spectrum have the opportunity for a positive, enriching, life-changing scouting experience. **THANK YOU!**

There are several ways that you can help:

- Run a fundraising event through your unit such as a bake sale, car wash, penny drive, etc.
- Take part in an Autism and Scouting Patch Fundraiser for your unit to raise funds for both your unit and Autism Empowerment. (See website for details!)
- Help us find corporate sponsors to produce more kits and develop additional materials.
- Direct Donation / Have your employer match the gift. (Our Tax ID# 45-2455219)
- Volunteer your time to help train others in your local area. Volunteer for Autism Empowerment.
- Send in testimonials & pictures of the positive impact of the Autism and Scouting Program.
- Donate a vehicle. Sell at eBay Giving Works. Purchase Autism Empowerment merchandise.
